Forecast for Wednesday 23 Oct 2024

Weather: A cloudy morning on the mountains though it will be mainly dry. Some sunshine on low ground. In the afternoon cloud lifting and becoming more broken with the chance of some sunny intervals at all levels. Some clear spells in the evening but some patchy low cloud again forming over the hills.

Chance of cloud-free hill tops above 800m: 30% in morning rising 80% or more in afternoon dropping 50% after dark

Low Cloud and visibility: Banks of cloud above 500-600m in morning, likely restricted to the main mountain areas with low ground clearer. The patchy cloud lifting to 800-900m or above, probably off the tops for much of the afternoon with good visibility, just a few patches possibly lingering on highest tops. Some cloud again lowering onto higher hills during the evening.
